Description:

Nestled within 6,120m² of picturesque land, this exceptional wooden family home offers a rare opportunity to enjoy peaceful countryside living with the feeling of complete escape from the modern world, while remaining conveniently close to the coast and local amenities. Accessed via an untarmacked country road, the approach to the property immediately creates a sense of privacy, seclusion, and off-grid living.

The beautifully designed home centres around a spacious open-plan kitchen, dining, and living area, creating a warm and welcoming atmosphere for modern family life. Large doors open directly onto an expansive covered terrace — the perfect setting for entertaining guests, alfresco dining, or simply relaxing with family while enjoying the tranquil natural surroundings.

Equestrian facilities are a standout feature of the property. The land is fully permitted for up to four horses and includes a dedicated horse training area. The purpose-built stables are already connected to water and electricity, offering excellent potential for conversion into guest accommodation, workshops, studios, or other versatile uses.

Designed with sustainability and practicality in mind, the property benefits from its own well supplying fresh, drinkable water, along with solar panels dedicated to water heating. Additional outbuildings include

a barn for hay and storage, as well as a charming detached 15m² log cabin suitable for use as a guest room, home office, hobby studio, or peaceful retreat.

The setting feels wonderfully isolated and immersed in nature, yet the property remains highly accessible. Despite its tranquil countryside location, the home is just a 10-minute drive from the centre of La Cala, its beautiful beachfront, restaurants, shops, and all local amenities, while the renowned La Cala Golf Club is only 3 minutes away — making it an ideal location for both equestrian and golf enthusiasts.

Adding further peace of mind, the nearest neighbour is a qualified veterinarian who shares an excellent relationship with the current owner, an invaluable advantage for those with horses or animals.

Combining rustic charm, privacy, self-sufficiency, and flexible lifestyle possibilities, this is a truly unique property ideal for families, equestrian enthusiasts, golfers, or anyone seeking an authentic countryside retreat close to the Costa del Sol coastline.
