Description:

Discover an extraordinary opportunity to own a stunning freehold villa in the serene and highly desirable area of Tabanan – Buwit, one of the most promising locations in the evolving Bali real estate market. This exceptional off-plan residence combines sophisticated tropical architecture, artisan craftsmanship, and premium wellness-inspired living, making it a standout choice among luxury properties for sale in Bali. Scheduled for completion in Q1 2027, this villa offers a rare blend of exclusivity, comfort, and timeless design in one of the island's most peaceful natural settings. Positioned on an expansive 965 sqm plot with an impressive 345 sqm building size, this fully furnished villa has been thoughtfully designed to embrace Bali's lush natural beauty. Surrounded by breathtaking jungle and river views, the property offers an atmosphere of tranquility while remaining conveniently connected to popular lifestyle destinations and modern conveniences.

For buyers searching for Bali villas for sale or Bali homes for sale that provide both luxury and authenticity, this residence delivers a truly remarkable experience. The villa features three spacious bedrooms and four elegant bathrooms, complemented by an enclosed living area that ensures year-round comfort and privacy. Every detail of the home reflects exceptional craftsmanship, with handcrafted floors, furniture, and tiles created by talented local artisans using only high-quality natural materials. Notably, no industrial materials have been used in the construction, creating a warm and organic aesthetic that distinguishes this property from conventional Bali residential real estate offerings. Designed with

wellness and entertaining in mind, the villa includes an infinity pool overlooking the lush jungle landscape, a rejuvenating sauna, an ice bath, and a stylish BBQ area perfect for hosting guests or enjoying peaceful evenings in nature. These carefully curated amenities elevate the property into a private sanctuary, ideal for personal living or as one of the most attractive investment properties for sale in Bali.

As demand for Bali luxury real estate continues to grow, properties in tranquil yet strategic locations such as Buwit are increasingly sought after by international buyers and investors. Whether you are exploring real estate in Bali for foreigners, buying property in Bali for lifestyle purposes, or seeking a strong Bali real estate investment opportunity, this villa offers exceptional long-term value. The property also aligns perfectly with current Bali real estate trends favoring sustainable design, wellness-focused living, and premium handcrafted finishes. This Bali property for sale freehold represents a rare chance to secure a distinctive home in one of the island's emerging luxury destinations. While many buyers search for beachfront properties for sale in Bali or Bali property for sale with ocean view, there is a growing demand for secluded nature-inspired residences that provide privacy, exclusivity, and deeper connections to Bali's tropical environment. This villa answers that demand beautifully.
