Description:

This beautifully renovated farmhouse offers a turnkey business opportunity in a peaceful hamlet, combining charm, comfort, and multiple income potentials. The estate comprises a two-bedroom main house, two elegant one-bedroom cottages, a luxury spa and wellness center, a swimming pool with a terrace and bar, a six-pitch campsite with full amenities for guests, and a large, secure barn for caravan and motorhome storage.

The main house features a spacious living room with a traditional fireplace and wood-burning stove, a separate dining room also equipped with a wood-burning stove, and a newly fitted kitchen. Upstairs are two comfortable bedrooms, one with an en-suite shower room and WC, and a separate, luxurious shower room. The two cottages offer 25 sqm of open-plan living space with a wood-burning stove, a double bedroom with an en-suite bathroom, and their own private terrace with a barbecue.

All three properties have been finished to a high standard and benefit from private outdoor spaces for relaxing or entertaining. At the heart of the property, the spa center offers a two-person hydrotherapy spa, an infrared sauna, a walk-in shower, a beauty area, and restrooms, ideal for accommodating guests or developing wellness services. Additional amenities include a reception/office area, a guest laundry room, a shower room for campervans, sinks for washing dishes, and a chemical toilet disposal point.
