Description:  
Central Penthouse in Fuengirola – Absolutely Stunning!

This one-bedroom penthouse apartment really has it all. With an L-shaped, sun-drenched terrace, it's breathtaking. You can walk to just about everything Fuengirola has to offer, so you're right in the center of the action, with the sea and the city at your feet.

Step inside and you're greeted by a practical hallway leading to a slick fully fitted kitchen - all open plan, flowing into a bright living and dining area. Floor-to-ceiling sliding doors let in loads of natural light and open straight onto the terrace. During the day, the views stretch out in front of you, and at night, the town sparkles below.

The bedroom is spacious, with its own large sliding doors connecting straight to the terrace. The bathroom? Marble finish, a real bathtub with shower attachment, all well thought out. This place is special—the terrace alone is worth seeing in person.

Looking for a place to soak up the sun and the energy of this lively town? This penthouse is where you'll want to be. Come see it—you won't regret it.

Fuengirola couldn't be easier to reach—it's just 25 km west of Malaga, with simple road, rail, and bus links. No wonder it's popular; about 76,000 people call it home and the weather is fantastic—think warm, with an average annual temperature of 18°C. And the beaches? There are 8 kilometers of mostly uninterrupted sand, seven beaches in total, with one holding Blue Flag status.

Everything you want is right at your doorstep. Shopping, restaurants, bars, and big commercial centers keep you busy, or you can catch a movie, zip down a waterslide at the water park, or let your wild side out at the zoo. For families, there's go-karting, a skateboard park, boat trips, a castle, crazy golf—the list keeps going.
