Description:

Situated in one of the city centre's most prestigious residential districts, this elegant third-floor apartment offers approximately 345 sqm of refined living space with exceptional views over historic gardens, landmark buildings and the city skyline. The property features a bright corner living area, four double bedrooms, three bathrooms and numerous ancillary spaces, with dual-aspect windows providing abundant natural light throughout. A private balcony off the principal bedroom further enhances the apartment's appeal. The impressive entrance hall leads to a double reception room and formal dining room, both enjoying magnificent views of the Duomo's Madonnina. The spacious eat-in kitchen includes a central island, laundry room and internal terrace, while a guest bathroom and utility room complete the service areas. The sleeping quarters comprise four spacious bedrooms, including a luxurious suite with a terrace, walk-in wardrobes and an en-suite bathroom, plus another bedroom with a mezzanine study area. Carefully preserved period features include oak parquet flooring, decorative ceilings and original doors, complemented by modern comforts such as air conditioning and motorised shutters. A cellar, attic, garage, and mechanised parking space complete this rare city-centre offering. Ref: 15706
