Description:

Contemporary residence with panoramic terrace and luxury finishes: design, privacy and energy efficiency for sale in Città della Pieve. In the charming setting of Città della Pieve, a short distance from the historical centre, we offer for sale an elegant property of 95 sq m/1,022 sq ft. Located on the first floor of a bright, recently built four-unit building, the apartment offers easy access and excellent privacy within a well-maintained, quiet residential neighborhood. The building features facades in perfect condition, finely protected by a modern external thermal insulation system. The interior welcomes guests with a bright open-plan space, featuring a living room and exposed masonry kitchen embellished with authentic marble cement tiles. Fine finishes enhance the apartment, from the elegant porcelain stoneware floors to the sophisticated marble cladding decorating the living area wall. The living area opens fluidly onto a panoramic terrace, creating a natural extension perfect for moments of outdoor relaxation. The sleeping area, introduced by a functional hallway, includes a versatile study, a comfortable double bedroom, a second bedroom with a private balcony, and two bathrooms, one of which is strategically used as a laundry area. The exclusive residence is completed by a useful basement level, conveniently accessible both internally and via a covered external ramp, which includes a storage room and a 20 sq m/215 sq ft garage with fully finished flooring and equipped with an essential water softener. Certified in the highly efficient Energy Class A3, the property boasts excellent technical systems: independent methane underfloor heating, wooden windows with double thermal-sealed glazing, an armored entrance door, solar panels for hot water production, and a photovoltaic system. A flue is also already in place for the future installation of fireplaces or stoves. This home represents a primary residence or an investment

of unparalleled efficiency, perfect for fully experiencing the Umbrian lifestyle.
