Description:

A spectacular Alpine panorama, the intimacy of a large chalet, the luxury of a private wellness area and the authentic charm of a detached mazot... Here, dreams become reality.

Perched high above Patier, in the sought-after Chevillard district, Chalet Bleu Ciel offers an exclusive address overlooking the valley, with an absolutely breathtaking view.

From the moment you arrive, the tone is set: a vast garage with space for four vehicles, followed by a refined SPA area, a veritable cocoon of relaxation hidden from view. An independent 84 m2 mazot completes this level, ideal for entertaining family and guests in complete independence.

An elevator then takes you to the heart of the chalet: a generous living room bathed in light, enhanced by a fireplace that invites conviviality and winter evenings overlooking a breathtaking panorama. The open-plan kitchen and dining room, nestled under the roof, create a warm and elegant atmosphere, perfect for entertaining.

On the upper floor, the master suite occupies the attic: an intimate, privileged space with bathroom and dressing room. The lower level is home to two further bedrooms with en-suite bathrooms and an office, offering comfort and functionality.

The mazot, meanwhile, is a true dwelling in its own right: living room with lounge and dining area, two bedrooms and a bathroom. A charming place, ideal for entertaining guests or for a discreet rental income.

A rare property, combining spaciousness, top-of-the-range amenities and breathtaking views - for uncompromising mountain living.
