Description:

We present this Gem of a Bungalow, a one level house, with 2 Bedrooms, Sun Room & Roof Solarium, in the sought after location of Blue Lagoon! Located just a 2 min walk to the first few bars! and 3 mins to the 24/7 mini market - 10 min walk to Villamartin Plaza Externally: You have a small front garden, North East Facing, ideal to escape the Sun on these hot days! BUT the lovely rear garden, is South East Facing, although a Sun trap for those who love the Sun, there is a fantastic snug area, where you can chill out and enjoy the summer without being in that direct heat. or perhaps you'd turn this into a Bar! Also as you'll see in the photos, there is an area of Good Quality Artificial Grass area Whilst there is no pool, look at our drone footage, to see what other neighbours have done. In the rear garden, if you were to open up the Ballustrades, making one area, this garden would transform in size and give room for a full size pool or a smaller plunge pool (very approx cost is anything from €12-20,000 *depending on so many factors) Roof Solarium - for the real Sun worshipers, or, to catch a better winter sun. Entering the property: As you enter, you're walking into a Glazed Terrace area. Perfect for sitting in from the Sun and ideal for winter, outside living away from the chill. This area, could easily, subject to planning permissions, be extended, to use as additional inside space, extending the kitchen & Lounge area and still at the side, you could have that remain as an indoor area, so not losing that ability to have a sun room. Walking into the house,

you're entering the Double Glazed French doors, open plan, Lounge, Kitchen, dining area. The Kitchen is spacious and modern, with a side door to the rear Garden. The Lounge has Air conditioning.
