#### Description:

Located in George Town.

Positioned on a generous 0.4559-acre parcel in the sought-after Crewe Road a few minutes commute to George Town, this exceptional income-producing property presents a rare opportunity to acquire a well-maintained multi-family asset with immediate rental upside and future redevelopment flexibility. Situated on Navis Close with approximately 250 linear feet of road frontage, the property comprises four solid concrete duplex buildings containing eight identical one-bedroom apartments. Each thoughtfully designed unit features a spacious bedroom with direct walk-out access to the yard, in-unit washer and dryer, individual split A/C systems, and separate CUC and Water Authority meters, ensuring efficient management and tenant accountability. Constructed in the 1990s with durable concrete block construction and cement board siding, the property has benefited from significant recent capital improvements, including new roofs installed in 2024 and eight new split-unit air conditioning systems installed in 2025. These upgrades provide investors with confidence in the property's long-term durability while minimizing near-term maintenance costs. Beyond its strong physical attributes, the property offers outstanding investment fundamentals. Current gross rental income stands at CI\$12,000 per month (CI\$144,000 annually), with substantial upside remaining. Adding to its appeal, the Medium Density Residential zoning and existing configuration provide flexibility for future ownership structures. The development can potentially be stratified into either eight individual apartments or four duplexes, creating multiple exit strategies and enhancing long-term value. Property Highlights Asking Price: CI\$1,795,000 Four concrete duplex buildings Eight one-bedroom residential units Approximately 19,859 sq. ft.
