Ville:	Dover
Soumis:	16/07/2026

Description:

Located in Dover.

Harmony Hall Green is a newly constructed, gated condominium development situated in a tranquil location while being conveniently situated in the heart of Barbados' South Coast entertainment district. It offers proximity to Dover and Accra beaches, as well as a range of amenities such as shopping, dining, services, transportation, and nightlife.

Each unit is designed to face inward towards a "water garden," a spacious reflecting pool that harmoniously blends tranquility and natural beauty. The water garden features a communal swimming pool and landscaped "islands" that enhance the overall ambiance.

The community boasts a range of amenities, including a communal swimming pool with sundecks, a gymnasium overlooking the water garden, and a designated area for exercise. Additionally, there is a gated community with night-time security personnel for resident safety.

The landscaping at Harmony Hall Green is meticulously designed with a focus on beautiful, mature mahogany and casuarina trees. The water garden is filled with harvested rainwater, which is utilized for the irrigation of the landscaping.

The community also provides designated areas for recycling and non-recyclable waste, promoting a sustainable environment. Harmony Hall Green is a gated community with night-time security personnel, ensuring the safety and well-being of residents.

Underground utilities are seamlessly integrated into the development, providing efficient and reliable power distribution. A central photovoltaic system is employed to convert sunlight into electricity, thereby minimizing communal electricity bills.

Residents enjoy a convenient 3-minute walk to the picturesque Dover beach. Furthermore, they gain access to the facilities of Divi Southwinds Resort, including beach chairs, a bar, a restaurant, a tennis court, a mini-golf course, a children's play park, and a spa.
