Description:

This magnificent rural guest house estate is located in the northern half of Lanzarote, situated between the villages of Haria and Mirador del Rio. This section of the island is home to some of the most captivating scenery and spectacular panoramic views of the volcano, as well as the island of Graciosa. This area has been declared a natural reserve, and therefore pristine and isolated from the mass tourism of the other regions of the island, offering a true sense of peace and tranquillity. From the property, there is a track that leads down to the beach. The estate is set on 28,000 sq mts of land, including a magnificent large independent Finca, plus two separate Canarian-style homes and an additional distinct traditional Canarian-style house. The main country Finca consists of four private self-contained guest rooms, luxury bathrooms, modern fitted kitchens, lounge areas, and private terraces. There are two separate Canarian-style homes, both having two large bedrooms, luxury bathrooms, fully fitted kitchens, living-dining room with large windows that offer uninterrupted views of some of Lanzarote's most stunning landscapes. There is an additional distinct traditional Canarian-style house consisting of a large open lounge and dining area, a fully fitted kitchen, a luxury bathroom and two beautiful double bedrooms, one of which has maintained the original volcanic rock walls and vaulted ceiling from its former use as a water well. The property has a large heated swimming pool (12 x 5m) as well as a separate shallow children's pool, including plenty of private and communal terraces and sunbathing areas. There is a small gym and a Jacuzzi, as well as several entertainment areas such as a BBQ and a Bocce ball court. Additionally, there

are a further 10,000 square meters of land which are used as a vineyard. The wine production can be either shared with the local wine company that produces the wine and maintains the land, or it can be utilised for hotel purposes. This spectacular property has to be viewed to see the potential of this fantastic country estate. There are possibilities to able to extend and include structures such as yurts or glamping structures, which are growing in popularity in the holiday marketplace. This magnificent country estate could have various professional uses such as: corporate team building venue, wellness retreat, retirement home, senior health retreat, boutique hotel, nursing home, yoga retreat, sports training centre, group fitness classes, sanctuary for healing & mindfulness, the list is endless.
