Discover Sunbay in Henties Bay, Namibia

An exclusive coastal gateway combining a premium African lifestyle with a high-yielding global investment, owning this home isn't just a property investment—it's a gateway to Namibia's ultimate coastal lifestyle. Nestled where the towering dunes of the world's oldest desert meet the roaring Atlantic Ocean, this property serves as the ultimate basecamp for international investors and adventure seekers alike.

Gateway to Adventure and Eco-Tourism

The estate offers seamless access to Namibia's most iconic natural wonders. It sits right on the doorstep of the wild Skeleton Coast, while providing effortless weekend travel to the big-game watering holes of

Etosha National Park, the massive red dunes of Sossusvlei, and the ancient rock art of Damaraland.

Positioned in a Booming Micro-Market

Positioned in the booming Erongo region—Namibia's fastest-growing coastal wealth micro-market—this property delivers exceptional capital appreciation. Driven by massive global investments in green energy, oil, and gas, the area attracts a steady influx of international corporate executives, diplomats, and luxury travelers.

Lucrative Investment Potential

This turnkey asset is perfectly optimized as a lucrative holiday rental or Airbnb, successfully capturing the high-budget international self-drive safari and angling markets. Located in a pristine, safe neighborhood, residents enjoy a refreshing coastal microclimate, world-class shore angling, and close-up marine safari encounters with dolphins and whales off Pelican Point.

Unmatched Lifestyle and Financial Value

Whether you are searching for a secure multi-generational family retreat, a peaceful retirement haven, or a resilient, high-yield luxury rental asset, this Sunbay home delivers unmatched location and financial value. Secure your piece of Namibia's multi-million dollar eco-tourism boom. This property is your gateway to the best the continent has to offer.

Property Overview & Architectural Innovations

Discover an unparalleled coastal sanctuary masterfully engineered for absolute privacy, luxury living, and turn-key hospitality. Functioning seamlessly as a grand multi-generational family compound, an executive corporate syndicate retreat, or a lucrative short-term rental business, this 506 m2 architectural masterpiece is offered completely furnished and equipped.

The Micro-Climate Innovation (A Coastal Rarity)

The Erongo coastline is famous for its bracing Atlantic breezes. This estate features a monumental, engineered 4.5-meter boundary wall encircling the entire 890 m2 property. This structural asset completely deflects the ocean wind, trapping the African sunlight to create a warm, windless micro-climate courtyard. Here, a lush garden, herb zones, and a fruit orchard thrive—a feat virtually impossible elsewhere on the exposed coast. It provides absolute visual privacy for guests and unmatched lock-up-and-go security for international owners.

Detailed Architectural Breakdown

1. Main Residence (195 m2)

A sophisticated, open-plan master home finished with timeless white plaster, warm wood-finish windows, and premium tiled floors.

- * **Master Suite:** King-size layout with a dedicated walk-in closet room and a luxury en-suite bathroom.
- * **Gourmet Kitchen & Living:** Expansive open-plan lounge with an atmospheric built-in fireplace. The raised chef's kitchen features a massive social island, integrated power, gas stove, and a deep walk-in pantry.
- * **Executive Infrastructure:** Private study with custom cabinetry and executive desk. Includes an ultra-secure walk-in safe room equipped with specialized ammunition reloading shelves.
- * **Subterranean Bunkers:** A rare coastal engineering feat. Two separate concrete-engineered basements house a custom wine cellar (with authentic barrels and racks) and a separate heavy-duty bulk storage bunker.

* Mezzanine Fitness Deck: A striking spiral staircase leads to an upper home gym space, opening directly onto an elevated 50 m2 viewing deck with sunbeds for ocean-air relaxation.

2. Premium Hospitality Flatlets (156 m2 Total)

Three fully independent, high-end self-catering units offer immediate capacity for premium B&B operations or independent guest stays.

ABOUT THE AREA

Henties Bay, often referred to simply as 'Henties,' is a tranquil coastal town located in the Erongo Region along the western edge of Namibia. Perched on the starkly beautiful Skeleton Coast, the town is renowned for its laid-back lifestyle, wide open beaches, and dramatic natural scenery where the Namib Desert directly meets the Atlantic Ocean. Initially established as a modest holiday retreat, it has evolved into a favored retirement town and a popular weekend getaway for inland locals escaping the desert heat.

The town's identity is deeply rooted in angling, earning it a reputation as one of Southern Africa's premier recreational fishing destinations. Anglers flock to its sandy shores year-round to target prized local species such...
