## Unlocking High Yields: Seize the Commercial Advantage

One of the most compelling aspects of this property is its commercial designation. Unlike residential options, commercial spaces are free from restrictions on short-stay rentals. This opens up a world of possibilities, allowing you to capitalize on the booming tourist market in Amsterdam.

## Flexible Units for Your Vision

The total capacity allows for overnight stays for up to 30 people once all building activities are finalized. However, the beauty lies in the versatility of the units. Each space is designated for multifunctional commercial use. This allows you to tailor the units to fit your specific business needs, whether you envision a co-working space, a boutique hotel, or a combination of both.

## Low Maintenance, High Returns

The costs associated with body corporate administration and maintenance are remarkably low, averaging around €55 per unit per month. This translates to minimal overhead, allowing you to focus on maximizing your profits.

## Ready to Start, But Room to Tailor

While each unit provides a kitchen or kitchenette along with a bathroom, renovations are to be expected depending on your business plan. This flexibility empowers you to create a space that perfectly reflects

## ABOUT THE AREA

Golden Age canals lined by tilting gabled buildings are the backdrop for Amsterdam's treasure-packed museums, vintage-filled shops and hyper-creative drinking, dining and design scenes.

### Urban Explorations

Amsterdam's canal-woven core is laced by atmospheric narrow lanes. You never know what you'll find: a tiny hidden garden; a boutique selling witty, stylised Dutch-designed homewares and fashion; a jewel-box-like jenever (Dutch gin) distillery; a flower stall filled with tulips in a rainbow of hues; an old monastery-turned-classical-music-venue; an ultra-niche restaurant such as an all-avocado specialist or one reinventing age-old Dutch classics. Fringing the centre, post-industrial buildings in up-and-coming neighbourhoods now house creative enterprises, from art galleries to craft breweries and cutting-edge tech start-ups, as well as some of Europe's hottest clubs.

### Admiring Art

You can't walk a kilometre without bumping into a masterpiece in the city. The Van Gogh Museum hangs the world's largest collection by tortured native son Vincent. A few blocks away, Vermeers, Rembrandts and other Golden Age treasures fill the glorious Rijksmuseum. The Museum het Rembrandthuis offers more of Rembrandt via his etching-packed studio, while the Stedelijk Museum counts Matisses and Mondrians among its modern stock. And for blockbuster displays, the Hermitage Amsterdam delivers: the outpost of Russia's State Hermitage Museum sifts through its three-million-piece home trove to mount mega exhibitions.
