Description:

For Sale 2 Bed House with Magical Courtyard Bellac 87

Agency Fees Paid by Seller

For sale is this 1 - 2-bedroom town house, with a magical private walled courtyard in the centre of Bellac Department 87

I should know by now not to judge a book by its cover, but I did; and yet again, I was taken by surprise at what was behind this door. It was enough to brighten any dull day.

The pictures I have taken do not give justice to this home, it grabs you, with its cuteness and charm the minute you walk through the door.

Bellac as well as being a village etape, is a lively market town in the Haute Vienne region of the Limousin with a friendly French community nicely mixed with other nationalities from around the world, who make you feel at home from day one. It has all the amenities you need for a holiday destination or a new

life in France -Cinema/Theatre/Swimming Pool/Train Station/Restaurants/Bars /Supermarkets/Shops/
Schools and Doctors; the list is limitless!

Getting to the area is easy with flights from many UK airports into Limoges (33km) and trains in Bellac itself having links to services to Poitiers and Limoges train station where you have TGV connections to Paris, Bordeaux, London & Brussels.

The current owner has updated and kept the house in very good condition.

Set on 3 floors, with a great kitchen dining room with access to the courtyard on the first floor (and a separate WC) the second floor is on large room, with more than enough space to accommodate a sofa bed for extra guests, the third floor being what was two bedrooms and a shower room with WC; the first part is currently used as an office area.

The house has mains water, electricity and drainage. Mains gas is available in Bellac. Broadband is excellent as you would expect in a town centre.
