Have you ever dreamed of trading freezing winters and grey skies for a slower, sun-drenched pace of life? For many, the ultimate "second act" is owning a boutique hotel or bed and breakfast by the sea—a place where you can enjoy the laid-back Caribbean lifestyle while generating a steady income. Whether you are looking for a profitable winter escape or a permanent island home, this is your chance to make that dream a reality.

Just a two-minute walk from the white sands and calm waters of Lower Bay Beach, Sweet Retreat Hotel is a rare, income-generating property. It offers the perfect balance of a profitable hospitality business and a private Caribbean getaway.
