Description:

STUNNING CONTEMPORARY VILLA WITH PANORAMIC VIEWS & INDEPENDENT GUEST APARTMENT

4 Bedrooms | 5 Bathrooms | Private Pool | 1,000m²+ Plot | Independent 1-Bedroom Apartment

Set within a generous plot of just over 1,000m², this exceptional contemporary villa combines striking modern design, generous living spaces and spectacular views across the surrounding countryside, mountains and sea towards Lanzarote.

Thoughtfully designed and beautifully laid out, the property offers an impressive sense of space, natural light and privacy throughout, with extensive glazing carefully positioned to capture the remarkable landscape from almost every room.

Elegant, Light-Filled Interiors

At the heart of the home is a large bespoke kitchen and dining area, featuring a huge picture window that frames the surrounding countryside and creates a wonderful connection between the interior and its natural setting.

The bright and spacious lounge benefits from windows on two sides, with beautiful views towards the private swimming pool and surrounding landscape. A substantial oblong wood-burning fireplace provides a striking focal point and creates a warm and inviting atmosphere during the cooler winter evenings.

The property also benefits from a separate utility room and laundry room, with the added convenience of a cleverly designed laundry chute connecting directly from the upper floor.

One of the home's most impressive architectural features is the beautiful open staircase, complemented by contemporary LED lighting and an exceptionally tall bespoke window positioned halfway up. This spectacular feature floods the staircase with natural light while offering breathtaking sunrise and mountain views.

Luxurious Bedroom Accommodation

All four bedrooms benefit from their own ensuite bathrooms, providing comfort, privacy and a true sense of luxury.

The impressive master bedroom is located upstairs, creating a private retreat with its own private terrace and truly exceptional views. The stunning ensuite bathroom features a beautiful bathtub surrounded by bespoke glass windows, allowing you to enjoy panoramic views towards Lanzarote while bathing.

Exceptional Outdoor Living

The villa sits within a beautifully established garden that surrounds the property, with multiple seating and entertaining areas thoughtfully positioned to take advantage of the sun, views and peaceful surroundings.

A private 8m x 4m swimming pool provides the perfect centrepiece for outdoor living and entertaining.

At the rear of the property lies one of its most enchanting features: a secret sunken garden, tucked away from the main living areas and offering an extraordinary sense of privacy together with spectacular views across the surrounding countryside and towards the sea.

Independent Guest Apartment & Rental Potential

Adding considerable flexibility and investment appeal is a fully independent, self-contained one-bedroom apartment, complete with its own private garden.

The apartment is currently rented, providing an immediate rental income opportunity for the new owner. Alternatively, it could be used for visiting family and friends, extended stays or as private accommodation for guests, while retaining excellent future rental potential.

Additional Features

A Truly Special Property

This is far more than a contemporary villa. The current owners have thoughtfully designed their home where architecture, natural light, privacy and spectacular views come together to create an exceptional lifestyle.

The combination of the substantial main residence, private pool, beautifully designed gardens, panoramic outlook and independent rental apartment makes this a particularly rare opportunity — equally suited to those seeking a luxurious permanent home, an impressive holiday residence or a property with attractive additional rental potential.
