Near Alta de Lisboa and the Airport is one of the most recent Urbanizations which, although belonging to the Municipality of Loures, is located at the northern end of Lisbon.

In the Parish of Camarate and next to the Sports Park, this modern Urbanization has an excellent location, current architectural lines and a whole set of equipment nearby, which make it the target of much demand.

Minutes from the large Aldi Hypermarkets, Aki among others, Prio pumps and 500m from the new Continente de Camarate, the Parque das Oliveiras Urbanization is the perfect choice for those who want to build with an immediate sale guarantee and at very interesting prices.

Access to Lisbon Airport and the North South Axis is made directly, without passing through the center of Camarate and its location also allows access to the Vasco da Gama Bridge and A2, 25 de Abril Bridge, A1, A8, CRIL and CREL.

This is where we have lot 24.
