Project Overview

Makadina is a mixed-use resort destination in Makadi Bay redefining connected coastal living on the Red Sea. Designed as a fully integrated community, the development blends contemporary residences with direct access to leisure, entertainment, and world-class hospitality.

Residents enjoy the comfort of everyday living within a vibrant resort environment where lifestyle, connectivity, and nature come together in one evolving destination.

Makadina represents a new benchmark for modern residential communities — sustainable, self-sufficient, and designed for an active lifestyle.

The development is designed as a holistic lifestyle sanctuary where residents can enjoy nature, wellness, and entertainment within a walkable landscaped environment.

The community features waterfront serviced homes, themed swimmable water features, and scenic pedestrian pathways connecting residents to recreational spaces and vibrant social areas.

Outdoor communal areas, parks, and retail promenades create an atmosphere where residents can relax, socialize, and enjoy everyday resort living.
