Description:

Welcome to exclusive apartments set in the heart of Carvoeiro where refined design meets the natural beauty of the Algarve. Comprising 5 low-rise blocks and a choice of two-bedroom (T2) options, with contemporary architecture with a genuine sense of privacy and community. Every apartment is fully furnished and finished to a luxury specification, with solar panels for hot water and underfloor heating throughout for year-round comfort and efficiency. The open-plan kitchens combine sleek wooden cabinetry with top-of-the-line appliances and a wine cooler, flowing into bright living and dining areas. Spacious bedrooms are fitted with generous wardrobes and bathed in natural light, modern bathrooms pair modern fixtures with warm wooden accents. Each apartment enjoys its own front and back veranda, and selected ground-floor T2 apartments benefit from an additional 27 m² exterior terrace ideal for al fresco breakfasts, sun-soaked afternoons and evenings under the Algarve sky. Residents share access to a swimming pool, beautifully landscaped gardens, private parking and a controlled entrance, with a dedicated on-site reception on hand throughout the year. This resort is located a walking distance from Carvoeiro's sheltered sandy beach, a wide choice of restaurants, and both a supermarket and public transport, with Faro Airport located within a convenient 45-minute drive away, making this an outstanding opportunity for a holiday home, permanent residence or investment with excellent rental

potential.
