Description:

Discover this modern new build ground floor apartment, designed to enjoy the Mediterranean lifestyle thanks to its spacious interior spaces and magnificent private outdoor area.

The house has 75.10 m² built distributed in a bright living-dining room with open kitchen, two double bedrooms, two bathrooms and a practical separate laundry room. Its layout makes the most of natural light and offers comfortable and functional spaces.

One of its main attractions is its large outdoor space, with about 80 m² between a garden and private terraces, perfect for relaxing, enjoying meals outdoors or sharing moments with family and friends throughout the year.

The house is part of a modern urbanization with a communal pool and garden areas, located in a quiet area of Torrevieja, very close to the Natural Park of the Lagunas de La Mata and a few minutes from the beaches, supermarkets, restaurants, shopping centers and all services.

It is an excellent choice both as a permanent residence, second home or investment, thanks to its contemporary design, its large outdoor space and its excellent location on the Costa Blanca. - REF: Torrevieja XH 608130
