The interior layout is functional and conveys a pleasant sense of space. The entrance leads into the main living area, with direct access to a generous, south-facing balcony that ensures excellent natural light throughout the day and views over the city.

The kitchen has been recently renovated and is fully equipped, offering a modern and practical space for everyday living. The apartment also features a separate bedroom area with a built-in wardrobe, allowing it to be enjoyed as a true T0+1. The bathroom has been partially renovated, complementing the overall refresh of the property.

The property has been fully repainted, with maintenance work carried out on the windows and electric

shutters. It also benefits from pre-installation for air conditioning, double glazing and built-in wardrobes, adding further comfort and practicality to daily life.

Set within a private condominium with a swimming pool, the property offers an appealing outdoor element, ideal for making the most of the Algarve's characteristic sunny days. The balcony is a particular highlight, functioning as a natural extension of the interior space and providing a pleasant spot to relax or enjoy a meal outdoors.

The Alto do Quintão location offers quick access to supermarkets, shops, restaurants, schools, services and public transport. Portimão's main beaches, the riverside area and the city centre are also just a short distance away, combining urban convenience with proximity to the Algarve coastline.
