Description:

Situated within the tranquil eco-resort of Alma Verde, this elegant detached villa is surrounded by beautifully landscaped Mediterranean gardens and boasts a private heated swimming pool, creating an idyllic setting for relaxation and year-round outdoor living.

A striking circular entrance hall with a vaulted ceiling welcomes you into the home, where an abundance of natural light immediately creates a warm and inviting atmosphere. Beyond, the spacious open-plan living area is thoughtfully designed for modern family living. The fully equipped kitchen, dining area, and lounge flow seamlessly together on one level, while a dramatic double-height ceiling in part of the living room enhances the sense of space and architectural elegance.

A handcrafted wooden staircase leads to the upper-level gallery, featuring a charming semi-circular seating area and direct access to a generous rooftop terracean ideal retreat for relaxing and taking in the peaceful surroundings.

The villa offers three generously proportioned double bedrooms, including two with stylish en-suite

bathrooms. A well-appointed family bathroom with a bathtub serves the third bedroom and guests.

Designed with both comfort and efficiency in mind, the property benefits from solar panels and a smart home system that helps minimise running costs, monitors utility consumption, and allows remote control of selected home functions.

Large doors from the living room and two of the bedrooms open directly onto the sun-soaked terracotta terrace. Here, the heated swimming pool, beautifully maintained gardens, and inviting outdoor dining area create the perfect setting for entertaining family and friends or enjoying relaxed al fresco dining in the Algarve sunshine.
