Description:

Nordale is more than just a residential development – it is a new neighbourhood in Riga.

Designed in a contemporary Nordic architectural style, it blends seamlessly into the surrounding forest landscape. Nordale brings together nature and urban living, uniting people of different generations, cultures and lifestyles who share a refined sense of taste.

Nordale is located in one of Riga's greenest districts – Mežciems, next to the legendary Riga Film Studio. Here, the tranquillity of Biķernieki Forest meets the energy of the city: everything you need is within easy reach, while the city centre remains conveniently accessible.

The central promenade connects the neighbourhood with the surroundings of the shopping centre “Akropole Alfa” and Biķernieki Forest, creating a comfortable and pleasant everyday environment.

The landscaped surroundings and nearby forest trails form a harmonious setting where life flows at a natural pace, while maintaining convenient access to everything essential.
