Description:

If you're looking for a home where you can simply settle in, then this superb, beautifully renovated stone house with 3 bedrooms 2 of which are on the ground floor (each with its own en-suite) is perfect for you! All the rooms are very spacious, but you'll undoubtedly fall in love with the upstairs living room, with its impressive ceiling height and lovely natural light.

With over 10,000 m2 of land, this property is sure to appeal to horse owners or those with other four-legged friends; especially as the best part of the land is already fenced off for the owners' donkeys. Other features rarely found on the market include oil-fired underfloor central heating and a sewage system that meets current standards!

Less than 10 km from the nearest amenities and 2.3 km from the nearest Irish pub (a must for enthusiasts!), you'll enjoy the peace and quiet of the countryside whilst making the most of the region's vibrant atmosphere.

A real gem well worth a viewing.
