Description:

The offer includes a 60 m² commercial space located in the very center of Pula, on the ground floor of a neat commercial building, in one of the most frequented and attractive locations in the city. Thanks to its exceptional position, the space provides excellent visibility, easy access and continuous flow of pedestrians and vehicles, which makes it extremely interesting for various types of business activities. The space is suitable for an office, shop, showroom, doctor's office, service activities, representative office or other business purposes, depending on the needs of the future user. The biggest advantage of this commercial space is its location. Located in the very center of the city, it provides excellent accessibility for clients and employees and represents a very attractive position for business and brand visibility. Commercial spaces in such locations rarely appear on the market, so this property represents an interesting opportunity for entrepreneurs looking for a quality and recognizable location in the very center of Pula.
