Description:

The property offers a welcoming entrance hall leading through to a modern fitted kitchen and a bright, comfortable lounge. The lounge benefits from a full-length glass patio door, creating a practical connection between the living space and the outdoors, maximising the amount of light entering the lounge and increasing the feeling of space. A useful ground floor cloakroom and large utility cupboard with space of a washing machine, completes the accommodation at this level.

Upstairs, there are two well-proportioned bedrooms, both benefiting from fitted wardrobes, alongside a contemporary family bathroom with bath and overhead rainfall shower. There is also loft access, providing useful additional storage.

Outside, the property benefits from low-maintenance gardens, ideal for those looking for an attractive outdoor space, without the upkeep of a traditional lawn. The rear garden features artificial lawn, beautiful paving which is set in an attractive design and outside lighting. This all contained very privately in this pretty, walled garden, making a practical and versatile space. A side gate provides access through to the property's off-street parking space where there is also a metal storage container which adds to the already substantial storage capability.

This property is in easy reach of the town centre, being 1.1 miles from the market place and 0.8 miles

from Barnard Castle surgery and significant supermarkets. For commuters, Darlington station is 15.8 miles away making the property an ideal location for modern living and working. From a leisure perspective Barnard Castle has a large range of sports clubs to join, including golf, tennis, rugby, athletics and swimming clubs. Have a go at the arts and join Teesdale Operatic Society, The Choral Society or The Castle Players.

Offering a combination of low-maintenance living, attractive accommodation, off-street parking and beautiful countryside views, this is an appealing home for a first-time buyer or anyone looking for a manageable property in Barnard Castle.

Applicants must not already own a property, they must have a household income of below £80,000 and have a local connection.
