Description:

The Apartments offer luxurious living spaces that are connected with nature, sublimely. The units are fully furnished and come in different types, configurations, and locations, while always maintaining a strong commitment to nature. The design principles of the apartments incorporate light, decoration, materials, sustainability, sophistication, and good taste.

Within the various configurations of the units, residents can enjoy a living room, suites and master suites with a dressing room and bathroom, bedrooms, a kitchen, an entrance hall, a terrace, storage rooms, and bathrooms. The larger configurations also feature a sizable terrace, mostly covered by pergolas, a jacuzzi (optional), several seating areas, and a solarium.

Energizing tranquillity is the hallmark of the Apartments, where you can have time for yourself, and where good energy flows. The materials used in the apartments are arranged in various ways to fulfil the function of balance.

With accents in furniture, coatings, and other decorative elements, the units invite energy, light, nature, and the senses. Here, tranquillity is energizing, invigorating, and natural, providing a space that is

designed with you and your time in mind.

At the apartments you can experience the warmth of the sun, the presence of light, the glow of silence, and the breathing of nature. You can let yourself go, travel calmly, and revitalize, breathe, and feel everything around you.

The positive energy comes from nature and everything around you is carefully composed. The units feature simple, pure, and original materials with crossovers of traditional and modern techniques, offering a sophisticated design with durability.

Every design feature in the units respects nature and maintains a positive relationship with her. We understand that without protection, without value, and without concern for the environment, our existence is at risk. Here, the energy comes from nature, which fills us in a peaceful, gentle way and gives peace back to us.

The apartments offer a wide range of services and amenities that will make your life easier in a comfortable way, every day. Life can unfold in activities and experiences, in pleasure and enthusiasm for all. Therefore, we have a series of services and amenities such as: village club, the beach, green park, sports complex, footpaths, lake, babysitting and kids club, home care, security, wellness, bars, and restaurants, and open market.

Permanent security, cleaning, and maintenance is also provided. The services provided ensure the potential of the condominiums is protected and their smooth running. Services include security, cleaning, waste collection and treatment, swimming pool maintenance, and regeneration, cleaning, and maintenance of all green areas and circulation routes within the resort.

The apartments offer an exceptional and unique investment opportunity, located in an exclusive, biodiverse, and luxurious environment close to the sea, and with growing demand for housing and accommodation in the region. For all these reasons, it is a safe investment, with guaranteed profitability.
