An exceptional head start awaits in one of Bali's most watched coastal frontiers. This 1,050 sqm leasehold parcel sits in Kedungu, where wide beaches, consistent surf, and open rice terraces have drawn a steady wave of developers, hospitality operators, and lifestyle buyers seeking space that the southern belt can no longer offer. What distinguishes this offering is readiness.

Kedungu Beach lies a three-minute ride away, with its beach clubs, surf breaks, and golden sunsets, while Tanah Lot, Canggu, and Seseh are all comfortably accessible. The lease structure offers meaningful security — running to 2055 with a guaranteed twenty-year extension, providing a fifty-year development horizon for villa projects, boutique accommodation, or a private estate.
