Leírás:	

A good size property with easy access, it has a very wide frontage and the ground is practically flat which will allow you to create a nice garden or vegetable garden. Drainage and water are already available as are electricity and telephone internet. A good investment because given its location can be used to build a house or for another purpose as it has such good access.

- Located 3 km from Loulé and just 5 Km from Quinta da Ombria Resort & Golf
- Possibility of building up to 150 m2
- Completely fenced
- REF: 1009-1916
