Leírás:	

The main house is distributed on the ground floor in a living dining room, fully equipped kitchen with utility room and two bedrooms with 2 bathrooms, one bathroom is en suite. The upper floor is accessible via the outdoor tower staircase, here is a studio with kitchenette and bathroom with panoramic views over the garden, pool and natural surroundings.

The guest cottage is located below the main house and offers 2 bedrooms with 2 en-suite bathrooms. The property has large terrace areas that are partially covered and offer beautiful views of the mountains. There is a wonderful terrace with a heated swimming pool, covered lounge area to chill and a barbecue surrounded by an idyllic garden with Bougainvillea, fruit and olive trees.

Stairs and a separate drive way are leading to a wooden chalet with bedroom, kitchenette and bathroom with a romantic terrace surrounded by the tranquillity of pure nature.

There is unspoiled idyllic nature and birds singing all around you. A wonderful family home or retreat with rental income.

Other features are: hot cold air conditioning, solar and photovoltaic panels producing own electricity, borehole, Garage, outdoor lightening and storages.
