With good areas in excellent condition.

Inserted in building with elevator, only one apartment per floor, we find this fantastic T3, with renovated and equipped kitchen, large living room with balcony, both divisions facing south, a bathroom of renewed service.

All rooms are quite spacious and have double frames. Full bathroom with a two-bedroom support hot tub. The fourth bedroom suite has a full bathroom with a bathtub and a long balcony.

This apartment has a closed garage for 2 cars at road level, being an autonomous fraction.

The location is great as it is in the city centre, with all kinds of commerce and services "at the door".

The distance to the beach and the metro is only 10 minutes away. Ideal for those who do not want to drive

in the middle of the city, because, can do everything practically on foot.
