Todo Murado

Vista Serra

Santa Cruz is a Portuguese parish in the municipality of Lagoa, with an area of 14.26 km² and 3,671 inhabitants (2011). Its population density is 257.4 inhabitants km².

It is the parish seat of the municipality and the most rural. Here are some of the most important natural spaces of the village, such as the viewpoint of Lagoa do Fogo and Chã da Marcela, with its forest park and snacks.

The history of this parish dates back to the fifteenth century, but we are left by a date of extreme importance for its destination: April 22, 1522. On that day, D. João III raised Lagoa to the category of village and this parish the seat of the municipality. - REF: 326/T/03265
