The plots are cut into squares and offer space for a villa with 330 sqm of living space and an outdoor pool that can be oriented to the south. To the east, the property borders on a "Vale Verde" (green valley), to the south lies the Atlantic Ocean and to the west the well-known Cavoeiro Club. Carvoeiro, originally an old fishing village, is 50 km from Faro airport (approx. 30 min drive). Carvoeiro is one of the most popular holiday destinations in the Algarve. Besides beautiful and romantic beaches, there are six golf courses in the immediate vicinity of the properties. In summer, Carvoeiro, 800 metres away, offers holiday and summer feeling with bars, discos, live music, restaurants (star restaurant Bon Bon) and small shops. Sports activities from surfing, sailing to diving round off the varied holiday offer. In autumn and winter, hiking on the cliffs around the beaches is very popular. There is also plenty of culture in the Algarve, visit Silves, Loule and the nearby Monchique Mountains or the westernmost point of Europe.
