This unique Villa is located in the Tomillo Community, one of the most exclusive communities in Las Colinas Golf & Country Club. This villa is designed to enjoy both its interior design and the wonderful outdoors that nature has to offer.

The villa contains a series of spatial divisions with 4 bedrooms, 5 bathrooms & garage, where different independent atmospheres are created, generating an intimate and cosy space. On the main floor, the kitchen, dining and living areas merge into a clean, bright and open environment. The bedroom and bathroom on this floor merge in a natural and unique setting with views to the outside. Next to these rooms there is a cinema for enjoyment and relaxation. Upstairs you will find the master bedroom with a large terrace that offers open and privileged views.

The exterior of the villa has an extensive designer swimming pool and landscaped garden to enjoy the Mediterranean climate of the Costa Blanca, south of Alicante.
