In the heart of the city of Caldas da Rainha, we find Praça da República, also known as Praça da Fruta. With beginnings dating back to the fifteenth century, this colorful open-air market is the only one that, in the national territory, takes place daily. It is a showcase of the rich agricultural and gastronomic production of the region and a privileged place to observe Art Nouveau in Caldas. Romantic tiled facades

surround this vibrant square, which is also home to the historic Central Café and the Chapel of São Sebastião. Those interested in Art Nouveau can leave the square for Rua Dr. Miguel Bombarda, to be able to appreciate more examples of this movement by taking the Art Nouveau Route. To speak of Caldas is to speak of Bordalo, who left a lasting influence here. The Caldas da Rainha Faience Factory was created by him in 1884, with the help of Ramalho Ortigão, and became a world reference and its objects an icon of Portuguese culture, present in thousands of homes. At the Casa Museu de São Rafael, you can visit an exhibition composed of pieces created in the factory next door and get an idea of the evolution of the brand. And in the shop also in the vicinity, you can buy the colourful crockery and ceramics. Lovers of the outdoors, on the other hand, will find in Mata Rainha D. Leonor, created to protect the thermal water springs that supplied the Hospital, a place full of natural beauty, with its imposing trees and 17 hectares of fresh air and refreshing walks. - REF: 386/T/00237
