:

São João is a neighborhood located in the north zone of Porto Alegre. It is considered the geographic center of the North Zone, being crossed by two of the main avenues of the capital of Rio Grande do Sul, Benjamin Constant Avenue and Assis Brasil Avenue.

In the São João neighborhood is located the José Eduardo Utzig viaduct, which is part of the 3rd Perimetral, providing easy access between the north, east and south zones of the city, transforming Rua Dom Pedro II into one of its main access and circulation routes.

With plenty of green and wooded areas for hiking and exercising. For those looking to live in a residential, quiet neighborhood with amenities nearby, São João is a great choice

The surrounding neighborhoods are: São Geraldo, Higienópolis, Santa Maria Goretti and Anchieta .
