White Villas in Spain are very happy to market this totally reformed Detached Villa of approx. 140m² over two floors on an approx. Plot of 500m² in a quiet residential area with a communal Pool on the outskirts of Fortuna town. Just a five minute drive takes you into the large market town where you can find all the local amenities you would expect.

This charming villa consists of three double bedrooms, two bathrooms and a separate kitchen. Upon entering the property, you will find a large double modern garage with an automatic entrance door. This has glass windows on one side looking out to the totally enclosed and private front garden.

On entering into the villa we have a lounge area with an access door to the rear garden that has a storage shed and a BBQ kitchen.

Off of the lounge there is a large open plan modern kitchen with a breakfast bar and just down the hallway you have two bedrooms, both with access doors to the gardens. You also have a family bathroom. On the far side of the lounge you have a large room that could become another bedroom, an office or a games room, many choices of use.

Upstairs there is a third double bedroom with a good size bathroom and access from the top of the stair out to the sun terrace.

The property will be sold furnished subject to an inventory. It is a great property to live all year or use as a vacation home. It will give you comfort, privacy, space and lots of sun! Check more out on our WhiteVillasInSpain site.
