Mariatomasa. com sells, in the neighborhood of La Magdalena (Goiherri), rural land of 7.844m, fenced around its perimeter, with good access to it by car via a local road and just 3 minutes by car from the accesses to La Avanzada.

At present it does not have electricity or water, although at one of the ends it borders the river, so if it were used for an agricultural activity, the water would have it insured, on the other hand it could be hooked to the electricity and water network easily due to its proximity to various buildings and farmhouses.

Offers are heard. - REF: Marian 009160
