Leírás:

Nestled in the outskirts of the charming town of São Bras de Alportel, this remarkable 4 + 1 bedroom villa is a true gem that offers spacious living at its best. It is perfectly located for those seeking tranquillity whilst being able to easily reach all hot spots around central Algarve, within a short drive. Stepping into the Villa, all on one level, offers a welcoming entrance hall, a living room with a cosy fire place and terrace doors leading to the covered terrace with views over the pool and countryside, an office tv room, a large fully equipped solid wood kitchen with dining area that opens up to a further dining room and guest toilet. In the back of the kitchen, we find a separate pantry and stairs leading to the basement. The right wing of the ground floor consists of four bedrooms with built in wardrobes, two are en-suite bedrooms and one shared family bathroom.

In the basement we have an additional studio with a bedroom en suite, a fully equipped kitchen and a living room, an enormous games and storage room, technical room, laundry and the garage for 4 cars. Step into the landscaped outdoor area, featuring a covered terrace to enjoy alfresco dining, a swimming pool and a childrens playground and basketball field.

With its warm, high quality and authentic construction, it offers the perfect setting for your dream home.
