Leírás:

A luxurious loft in a modern design is for sale in a prestigious area of Milan's city centre, along the Naviglio Grande. This exclusive Milanese estate has just been renovated in a sophisticated contemporary style, with elegant, high-quality furnishings and the most advanced domestic systems. Developed on three levels, for an internal surface of 1,200 sqm, it boasts an entire floor dedicated to relaxation and well-being, with a heated swimming pool with a waterfall and a hydromassage, a very modern, well-equipped fitness room, and a cinema room. On the two upper levels there are seven bedrooms and eight bathrooms, including the master with an exclusive jacuzzi tub in the room. Among the modern design choices adopted, we can find big glass walls that offer a wider visual breadth; it is no coincidence, therefore, that each room has huge windows that let in natural sunlight, alongside sliding French doors that lead to the 300 sqm of outdoor spaces organized as terraces on each floor, equipped with a dining table and relaxation areas. A private parking space is an inevitable feature to complement a sophisticated modern estate for sale in the heart of Milan.
