Your new home. where the magic of nature will wake you up every day.

Holbox. the magical island of the Mexican Caribbean where you will feel free. at peace and connected with this mayan land. away from the bustle of cities and close to the music of the sea.

With a strategic location on the island. CASA ODARA a few steps from the beach. invites you to live an extraordinary life.

Peace at your doorstep.

Where you can decide the day you will have. whether interacting with others in boutique gourmet cafes and restaurants. or enjoying the peace and solitude the island offers. The choice is yours.

Wake up to the singing of the birds. walk barefoot through white sand streets. have breakfast in boutique Gourmet restaurants. or have a coffee or a drink beachside.

Enjoy a unique day at the beach. read your favorite book lying in a hammock. take a family walk along its sandbar in a heavenly setting. savor fresh fish under a palapa and to end your day with a flourish. enjoy the Unique sunset that the island gives you. sealing that magic moment with a kiss.

Holbox nights are picturesque and delicious. gourmet food assaults your plate in a variety of mystical and romantic restaurants. but if you like to dance and have a mezcal. the little bars by the sea will make you vibrate to the beat of a night of film in the Caribbean.

If you are one of the adventures. it is an ideal place to do Kitesurf. swim with the whale shark that visits

its waters every year. enter through its mangroves in a Kayak and experience the wildest part of the island.

Or on a moonless night. under the blanket of the star. go to the lagoon and experience
