Leírás:	

Equestrian estate near the sea, in a wonderful enclave we find this estate of 22.500 m2 totally fenced with sea views, a short distance from the towns of Sant Salvador, Calafell and 30 minutes from Barcelona airport thanks to direct access to the AP-7 motorway.

In this property we find a beautiful xalet of 185 sqm built on two floors, 5 bedrooms, spacious living room with large windows, a large kitchen, laundry area, 3 bathrooms and a cellar, wooden and double glazed windows, air conditioning and heating, a large swimming pool and tennis court.

Near the xalet we find a small room perfect for a guest house or for the service, gardens with a great variety of pine trees and fruit trees, all supplied thanks to an independent well at phreatic level that supplies 20.000 litres per hour of water for the whole extension of the land.

Equestrian part with 7 equipped boxes and an American dressage arena.
