For sale is a building plot in Lukoran on the island of Ugljan. It has an area of 939 m2 and is located along the main road. The land offers a view of untouched nature and hills that protect the village of Lukoran from the wind. On the land, right next to the main road, are the remains of two smaller dilapidated buildings. Access to the plot, in addition to the main road, is provided also by a local road that serves exclusively for access to this land and several surrounding lands. It is 1 km away from the sea, beautiful beach and the center of Lukoran.

Lukoran is one of the most picturesque places on the island of Ugljan. It's situated in the central part of the northeastern coast of the island of Ugljan, located along the central fertile field and picturesque bays.
