Beachside Living, Redefined: A Prime Investment in Jimbaran
Price at USD 153,750 until 2049 + Extension Option for 25 Years

Tucked away in Jimbaran, Bali, this snazzy leasehold townhouse whispers tales of a chill island life, perfect for folks keen on soaking up that famous Balinese zen-vibe. It's a gem for investors or anyone dreaming of their own slice of paradise, thanks to its fab location, slick design, and welcoming vibes. Picture this 82 square meters of smart living space, all perched on a 97 square meter plot. Built in the shiny new year of 2024, every nook and cranny oozes modern chic. It comes dressed to impress, making moving in a breeze. Spread over two floors are two cozy bedrooms and two bathrooms, mixing privacy with comfort. The snug living area is your escape from the balmy outdoors, ideal for laid-back evenings or hosting pals.

Now, let's chat about the cherry on top: its location. Just a 15-minute jaunt from the beach, it promises endless days under the sun and serene nights by the sea. Surrounded by top-tier resorts, luxury is just a doorstep away. And for those who live for a good meal or shopping spree, a quick 10-minute drive takes you to the hottest spots for grub and goodies. The architecture? A seamless blend of modern lines and Bali's lush landscape, with an interior that's all about light and space. The furniture? Picked with an eye for both style and comfort. Bedrooms are your tranquil hideaways, and the bathrooms? They're like mini spas with their swanky fixtures.

Priced at a cool USD 153,750, this leasehold spot is a no-brainer investment. Whether you're hunting for a forever home, a vacation escape, or a rental goldmine, this Jimbaran townhouse ticks all the boxes. It's where modern living dances with tropical charm. For anyone daydreaming of Bali days and nights, here's your ticket. This townhouse isn't just a place to hang your hat; it's a lifestyle—a seamless blend of comfort, style, and convenience in one of the globe's most magical spots.
