Cumbre del Sol Villa for sale.

This renovated villa is located in a quiet urbanisation on the Cumbre del Sol in Benitachell. The property is single storey with good open views and a glimpse of the Mediterranean. This house has a small garden with seating areas to enjoy the Mediterranean outdoor life.

The house is well laid out and offers two double bedrooms with built-in wardrobes, a modern bathroom with walk-in shower and a lovely open plan living and dining room with fireplace and adjoining open kitchen. From here you step directly onto the covered terrace and garden.

There is an under-build with the same surface area as the house but with a height of about 1.50m perfect for storage space.

The whole house is double-glazed and has newly installed air conditioning. All installations were renovated in 2022/23 and the house being sold fully furnished so it is ready to move in. Opposite the property is the communal pool surrounded by a good sun terrace. There is a rental licence available, making it not only a lovely property to live in, but also a fantastic investment opportunity. The village of Benitachell is a truly Spanish village with various amenities. The larger towns of Javea and Moraira can be reached in less than 15 minutes by car.
