Leírás:

Trogir, south side of Čiovo, two-bedroom apartment in a residential building, on the second floor, with a living area of 60.58 m² with an accompanying balcony of 9.40 m² and a parking space of 12.50 m².

This apartment is truly an oasis of luxury and comfort on the south side of Čiovo, with priceless views of the sea and islands. With two bedrooms and two bathrooms, it provides enough space for a comfortable stay. It's particularly lovely that the living room and kitchen have access to the balcony, where you can enjoy beautiful panoramic views of the sea and islands, bathed in sunlight.

Being just a few steps away from the sea and beach allows you to enjoy daily maritime activities and relaxing strolls along the coast. Additionally, the fact that the apartment is situated in a peaceful environment yet close to amenities such as supermarkets, restaurants, and pharmacies makes it ideal for a comfortable lifestyle.

The included parking space further facilitates daily life, while the proximity to UNESCO-protected Trogir adds a cultural and historical dimension to this already fantastic location. All in all, this could be the perfect home for those seeking an exclusive location with comfort and convenience.
