It is distinguished by a beautiful balance between the modern design of the buildings and the natural environment of the gardens of the residence. Its elegant lines are an attraction and reveal the vast and lush outdoor garden areas that are an extension of the new apartments.

The facades create a dynamic environment and blend into a garden whose versatility allows each one, alone or in a group, to make the most of their space, or simply observe from the balcony the variations of the landscape throughout the day or the seasons.
