Leírás:	New Vera Cruz Development - Elegance and Difference in a new centrality of the city of Porto.

The development has 8 apartments T2 Duplex, and 2 1 bedroom apartments, distributed on 2 floors, with sophisticated architecture, providing direct contact with the outdoors, with generous and well distributed areas.

Harmonious and sophisticated enterprise with style and elegance.

We sought to provide the perfect balance between privacy and connection to the natural surroundings, creating small oasis of tranquility in a new centrality of the city.

Located on Rua Vera Cruz, a few meters from the Campanhã Train and Metro Station, and also from the Heroísmo Metro, it is an area well served by commerce, restaurants, public transport and with easy access to the main circulation roads and highways in the north and south of the country.

Estimated completion in December 2023.
