Best Location in Hua Hin for this Beachfront Townhouse with fantastic sea views. The property is at the end of a row of town houses and is the only one that faces towards the sea and the large communal pool. The property comprises of a ground floor living, dining and separate kitchen and utility area with maids room, on the second floor are 2 bedrooms with a sea facing balcony and on the third floor are 2 further bedrooms with bathrooms.

This is an older style property that is perfect for renovation and modernization and can be compared to Beachfront Condominiums but with more privacy. This type of property comes up very seldom and we can see similar renovated Properties asking 50M baht or more. The property also enjoys parking for 2-3 cars.
