Impressive mansion on the Villamartin Golf Course, a unique house due to its singular architectural style, of a clear Arab influence. It has a plot of more than 2.000 m2, with beautiful gardens and recreational areas with direct access to the golf course. The heart of this villa is the central courtyard and its cloister, decorated in Andalusian style and crowned by a glass dome which provides lots of natural light. This house is also notable for the ample rooms and the magnificent sea views from their terraces. The central courtyard gives access to the heated pool, a really wonderful space with beautiful tiling and large windows, that create a peaceful ambience similar to the best Spas. In short, a house with great personality which impresses its visitors.
